### PROFESSIONAL EXPERIENCE

#### UI/UX Designer (Enterprise Applications) *Dec 2022 – Present*

Sashanka Agro Tech Pvt. Ltd.

- Designed end-to-end UI/UX for ERP-based mobile and web applications including Leave Management, Sales Tracking, Project Management, and Cleaning Operations.
- Created wireframes, interactive prototypes, and final UI screens in Figma aligned with real business workflows.
- Collaborated with ERP and development teams to ensure design feasibility and consistency across modules.
- Designed 100+ user-centric ERP training and onboarding presentations, improving product adoption and usability.
- Improved usability of internal systems by simplifying navigation and reducing user errors through better UI hierarchy.

#### UI/UX Designer – ERP Systems *Feb 2022 – Dec 2022*

PASA Resources Pvt. Ltd.

- Worked on Microsoft Dynamics Navision UI customization to enhance usability for non-technical users.
- Designed dashboards, reports layouts, and workflows focused on clarity and ease of use.
- Converted complex ERP processes into simple visual flows and screen designs.
- Supported cross-functional teams with UX documentation and design guidelines.

- **UI/UX & Frontend Designer** Jun 2019 – Jan 2022  
Precept Software Technologies
  - Designed responsive web and application interfaces with a strong focus on usability and visual clarity.
  - Converted UI concepts into functional front-end layouts using HTML, CSS, JavaScript, Bootstrap, and ASP.NET Master Pages.
  - Created UI assets, dashboards, landing pages, and brand-aligned visual systems for multiple client projects.
  - Delivered 200+ business presentations and marketing visuals, supporting digital campaigns and client pitches.
  - Collaborated closely with developers to ensure design consistency, responsiveness, and smooth implementation.
- **UI & Digital Design Trainer** Jun 2018 – May 2019  
Ashpra Skills Pvt. Ltd.
  - Trained students and professionals in UI fundamentals, MS Office, and digital tools.
  - Designed structured learning materials, UI examples, and presentation-based tutorials.
- **Computer Instructor (UI Basics)** Nov 2016 – May 2018  
AISECT
  - Delivered foundational training in computer applications and visual presentation skills.
  - Helped learners understand basic UI concepts through real-world examples.
